

How to make a RECURRING PAYMENT in Access ACS

Log in to get to this opening screen:

Go to “Giving” on the Menu Bar:

Click on “Give Now”

The screenshot shows a web browser window with the URL <https://secure.accessacs.com/>. The page header features the Foundry United Methodist Church logo and the text "FOUNDRY UNITED METHODIST CHURCH". A navigation menu includes "Home", "Directories", "Groups", "Events", and "Giving". The "Giving" menu is expanded, showing options like "Give Now", "Manage Scheduled Giving", "Available Small Groups", "My Complete Profile", "Available My Giving", and "My Giving History".

The "My Calendar" section is titled "Monday, January 07, 2013" and displays a table of events:

Time	Event	Location
6:30 PM to 8:00 PM	NA	Parlor
7:00 PM to 8:30 PM	Depression Support Group	Classroom 203

Below the calendar is a monthly view for January and February 2013. The "My Giving Summary" section shows "2013 Year to Date Giving" as "\$0.00" with links for "My Giving History" and "Manage Scheduled Giving", and a prominent "Give Now" button.

The browser's address bar at the bottom shows the URL <https://secure.accessacs.com/access/onlinegiving/givenow.aspx> and the status bar indicates "Trusted sites" and "100%" zoom.

You should now come to this page:

1st Question:

“How much would you like to give?”

I put in 85.00

2nd Question:

“How often would you like to give?”

I marked the radio button beside “Recurring”.

You will next come to this screen where you tell us what fund your gift is to be designated to.

In this case I put "85.00" in the box next to "Mission Possible Pledge/Gift"

Then a memo box will appear and in this case, I simply put "Mission Possible Pledge". You don't have to put anything if you don't want to.

Down at the bottom you will see the statement "\$0.00 of \$85.00 Remaining"

This simply is a follow-up check to make sure that you have designated all of the amount of the gift that you indicated on the previous screen, which in my case was "\$85.00"

Then click on "Continue"
